

Pre-Competitive Team...Regency!

Does your child:

- Enjoy dance, tumbling, jumping and performing?
- Want to make new friends, learn new skills, gain confidence and learn to work as a member of a team?
- Have an interest in competitive cheer but not sure if the commitment of an all-star team is right for your family?

If so, Regency is the team for them!

This unique program offers an 8 month commitment which includes one hour of practice/training per week. Athletes will jump, stunt, tumble and dance in preparation to perform at our end of year showcase in London. Athletes will build on their skills each week, working together as a team to learn and perfect their routine. Your child will get all of the benefits of our competitive cheer program while maintaining a lower level of commitment and financial investment.
